Corporate Website Design

Corporate Website Design

We have vast experience in corporate website design and promote your brand to your target audience. Our experience enables us to deliver efficient, scalable and extensible websites to Baramati Agro. The project snapshot below gives a brief idea about our expertise. Baramati Agro Ltd brings closure to their customers initiates Food 365 quick service restaurants giving an opportunity to serve them delicious food, round the year.

Objective

Team Sovereign provided corporate website design for Baramati Agro to create an online window to allow customers to purchase food without having to come into the restaurant. Customers can place their order and pay without having to interact with an employee until they receive their food. Customers, who choose to come into the restaurant pick up their food from the counter, take their food to a table or take

Challenges

- User Interface and User Experience
- Security, to safeguard against malware, hackers.
- Creating a 365 food service efficient enough to handle the store
- Creating payment service with zero employee interaction
- All booking notification will be sent on mail to client and admin.

Technology used

- Material UI design

Approach towards the project

- The primary goal was to create a brand identity and ease of updating and maintaining content.
- We added important links to side and top navigation across the entire site to not only make them more visible to users but also to improve the ability of search engine to get to key pages.

Challenges

- Food and beverages
